**Subject: Saad Trousdale Drive Site
Phase III Removal Action**

Dear Fred:

This will confirm my voice mail message to you today regarding initiation of Phase III Removal activities at the Saad Trousdale Drive Site. The required access agreements have been obtained. Work will commence on October 11, 1994 with a current site condition inspection and potentially, some preliminary sampling for waste characterization and profiling. This is being done to accelerate the Tennessee Special Waste approvals. Mobilization will commence October 17, 1994 with site preparation expected to be completed October 21, 1994. Excavation and stockpiling in accordance with the Work Plan will begin the week of October 24, 1994.

If you have any questions concerning the initial activities schedule or planned activities, please contact me at (615) 691-5052.

Sincerely,

Bennie L. Underwood
